

Welcome back! We hope you enjoyed your break. Below is a selection of the areas that your child will be studying over the next term.

Class texts

In our whole class reading lessons, we will be exploring the book 'Clockwork' by Philip Pullman. In spring 2, our shared reading text at the end of the school day will be 'Street Child' by Berlie Doherty linked to our history topic.

English

Throughout spring 1, we will be looking at features of persuasive writing and will be working towards producing a persuasive letter. In spring 2, we will be looking at the writing genre of narratives. We will produce a narrative based on one of the scenes from Treasure Island or The Promise.

Science

Our first topic this term is about keeping healthy. Children will explore the positive effects that a good diet, an active lifestyle and hygiene have on how the body functions. Within this unit they will learn about food groups, nutrition and the long-term effects of exercise. In the second half of the term, we will be exploring how the circulatory system works and the role that blood plays within the human body.

Geography

In this term, we will be exploring North America. In particular, we will be discovering the human and physical geography of specific areas on North America making connections to our previous South America topic. We will also practise our map skills and use atlases to help us locate areas on a map.

PSHCE

PSHE is taught through assemblies and PSHE days. This term's themes living in the wider world will be explored.

Maths

This term we will continue to develop our mental maths skills and developing our use of efficient methods. Children must know their number/bonds/times tables times table and we encourage the regular practice of these using TT Rockstars at home. The main foci of this term will be on decimals, fractions and percentages as well as beginning measurement.

History

This term, we will be wondering about what our life would have been like if we were born during the Victorian era. We will be learning all about the Victorians and developing key skills such as using sources to justify opinions, comparing and contrasting, and using accurate historical vocabulary both verbally and in our writing. We will also be using formal language to write our own Queen's speech!

Computing

This term we will be focusing on skills involving spreadsheets. Children will be exploring probability, creating a computational model, using a spreadsheet to plan pocket money spending and planning a school event.

RE

The first question we will explore in RE this term is: What happens in a Mosque? Following this, we will be exploring What happens in a Gurdwara.

DT

This half term, we will be learning cooking skills and how to be hygienic whilst preparing food. Our final task will be to make pizzas!

REMINDER

- **Read** every day for 20 minutes at least and ensure an adult sign their reading record every day. Once the child has read, they should write a sentence about what they have read using the sentence starters printed in the reading records.
 - Practise their **times tables** on TTRS.
 - Practise their **spellings** ready for their test each Monday.
 - **Homework** is sent home on Mondays and must be returned on or before the following Monday.
 - Authorised full **PE kit** should be worn on a Monday and Thursday for Elephant Class, Monday and Wednesday for Dolphin Class and Wednesday and Thursday for Albatross Class.
- Please come and speak to any member of the Year 6 team if you have any questions.
